FC SPECIALIST
— FINANCIAL CONTROLLING SPECIALIST —

Our Business Suites

Choose the level of financial control your business needs. Every suite is managed end to end by our specialists, so you can focus on running your business.

Professional Suite

For growing businesses that need structure, visibility and reliable reporting.

- **Monthly management reporting:** profit & loss, balance sheet and cash flow summaries
- **Budgeting & forecasting:** annual budget setup with quarterly reviews
- **KPI dashboard:** the key figures that matter to your business, in one clear view
- **Variance analysis:** a monthly comparison of budget vs. actual, with explanations
- **Cost tracking:** visibility into where your money goes
- **Dedicated financial controller:** a named contact for your questions
- **Monthly review call:** a short call to walk through the numbers and next steps
- **Cash flow & liquidity management:** weekly monitoring and early-warning alerts
- **Cost optimisation:** regular reviews to find savings and improve margins
- **Process & internal control review:** stronger systems and fewer errors
